We will have a memorial service at Fall Council in November for our Pilot members who have passed away this past year. Please help me so that we don't miss someone. I am asking each club to mail me a list of the member(s) you have lost by death this past year. Please provide me with the following information:

Name of deceased (and sex if name does not make it obvious):

Number of years as a member:

One to three sentences about their personality, talents, contributions to club:

Positions held, etc.:

Any other information that would help us "know" your Pilot member better:

Your e-mail address if you prefer to use that in the future to contact me:

I am asking you to mail or e-mail this information to be at the above addresses. I will acknowledge your information by e-mail, if provided.

Thank you. I look forward to being your Chaplain. Feel free to give me suggestions and comments with regard to this important part of Pilot.

Rene' Naughton

P.S. For the memorial, please have a member designated to have one long-stemmed flower (live or artificial) for each member lost. I will call club names and the member should come forward and put the flower in a vase for each member while I present the information you send about the member.

Note: The INFORMATION FOR THE DISTRICT CHAPLAIN form is found at the Pilot International web site, under Resources, Documents, 2006-2007 District Chaplains Form.
