

The following letter may be sent to prospective members. You may want to personalize the letter and print on your club's letterhead. Be sure to include a return address, and if possible, a telephone and fax number and e-mail address.

Date:

Dear _____:

The Pilot Club of _____ is pleased to extend an invitation to you to become a member of our organization. Your outstanding leadership skills and position in the professional community would be an asset to both our local club and international association.

Pilot International is a global organization of executive, business and professional leaders working together to improve the quality of life in communities throughout the world. Our special service focus is helping people with brain-related disorders, their families, and care-givers. By touching the lives of others, we renew our own dreams, and that is what Pilot is all about.

When you join Pilot, you become a member of an international organization with clubs in the Bahamas, Canada, Japan, Singapore, and the United States. Members come from all walks of life, however, the values of friendship and service are the principles that bring us together.

As a Pilot, you also become a member of the Pilot International Foundation, the charitable arm of our organization. The Foundation supports programs that benefit people with brain-related disorders and partners with national and international organizations that support our service focus.

A brochure and fact sheet are enclosed with this letter along with information regarding membership fees and dues. A member of our club will contact you soon to answer any questions you may have. We look forward to welcoming you into the world of Pilot.

Sincerely,

_____, President

Pilot Club of _____
