

Date:

Dear _____:

Pilot International is a professional and businesspersons service organization with members in six countries: Bahamas, Canada, Japan, Korea, Singapore and the United States. Our focus is on the prevention of brain-related disorders. The Pilot Club of _____ supports projects such as **(list individual club projects)**. Internationally, Pilot International has started the BrainMinders project to educate kindergarten through second grade school children on how to protect their brains, such as wearing helmets when riding bicycles. Pilot also sponsors Anchor Clubs in area high schools and instills in their members the rewards of community service.

The Florida District, Pilot International, supports three scholarship houses: One each at Florida State University, University of Florida and Gulf Coast University. These houses enable women to achieve their educational goals and learn to live harmoniously with one another at a reasonable cost.

The Pilot Club of _____ would like to invite you or a representative from your office to attend one of our meetings, **(give day, time, etc.)** so that you will learn what our club is doing in the community. We feel you will be impressed with our projects and will want to join our organization, "the service organization of choice."

Please contact _____ if you are interested in attending one of our meetings. We are anxious to share what we do with professional and business leader in our area.

With Pilot Friendship and Service,
