

GOVERNOR VIRGINIA BUNDE'S GOALS FOR THE FLORIDA DISTRICT 2011-2012

A YEAR AGO – MINUS 2 DAYS – I SPOKE OF REVIVAL IN MY VISION STATEMENT, OF ENTHUSIASM, OF PASSION FOR AND A COMMITMENT TO SHARING THE “GOOD NEWS” OF PILOT.

My goals for this coming year include –

- a revival of “each one get one”, member, that is
- a revival in attendance and participation in leadership training that results in multiple nominees for District office
- a revival of visibility in communities, each Club’s participation in BrainMinders activities and Publicity scrapbooks
- a revival of fund raising activities to ensure that each club budgets for representation at District and International Leadership meetings
- a continued support of Anchors and our Scholarship houses as encouraged by Governor Shearer in her goals
- and, most of all, a revival of speaking inspiring words to other Pilots so that harmony is created and maintained throughout the District.
