## Gresham-Kite Scholarship House Dedication Thank you!---Jane P. Burton, President PSHF Board of Directors

On behalf of the Pilot Scholarship House Foundation Board of Directors, I would like to express our appreciation to each of you who joined with us on Sunday January 18<sup>th</sup> in celebration of yet another milestone in the partnership Florida Pilots have created with Southern Scholarship Foundation.

This partnership dedicated our third active scholarship house---the Gresham-Kite Scholarship House---on the campus at Florida Gulf Coast University.

The afternoon events were truly memorable, with Mother Nature failing to adversely affect the enthusiasm of all. The Planning Committee's contingency plan covered unforeseen interruptions, moving the proceedings indoors without a hitch.

Following all successful events, thank you's are in order. First, Marjorie Gruber, Chairman and Master of Ceremonies and her committee of Pilots---Past Governor Dene' Dixon, SW Lt. Governor Betty Simpson, and PSHF Secretary Carolyn Peeler---and Charlotte Edenfield, Past President Southern Scholarship Foundation and her committee deserve sincere appreciation for the superb job they did in the planning of the program. Remarks by Kathy Bell, Chair of the SSF Board of Directors and Joseph Shepard, Vice President of Administration Services FGCU, emphasized to all the importance our houses mean to not only the students but also the academic community as well. Remarks by Kelly Schwegel, a resident in the house, spoke volumes to all driving home the difference being in a scholarship house means to these students. Appreciation to Nicole Jenny for sharing the FGCU Alma Mater with us.

Those in attendance were delighted with a scrumptious variety of refreshments. For all of you on Atkins, there wasn't a carb to be found in the room. Special kudos to the Clubs of the Southwest Region, especially PC of Coral Coast of Cape Coral, Fort Myers, Fort Myers Beach, and Naples for refreshments, name badges, and registration, along with Ashlee Butcher, Head Resident at FGCU, and all the girls who acted as hostesses for their lovely new home. No event would be complete without pictures, appreciation to Phyllis Lembo, Wave Editor, who doubled as our photographer.

To each of you, again our Thank you and appreciation for making the dedication of the Gresham-Kite Scholarship House the success it was.

## Pilot Scholarship House Cruise

Dear Pilots:

First, let me share what a great time has had by all on our first PSHF Fund Raiser Cruise on January 29<sup>th</sup>. What a great way to start the New Year! We had around 80 Pilots & Guests for our cruise. We started with a wonderful Cocktail Party before dinner with door prizes and fun for all. The Casino was a great hit as was Bingo. Winners were abundant in both areas. If you were brave enough to attend the Austin Powers Groovy Dance Class, you would have seen our PSHF President Jane Burton along with Director Lynne Stephenson and

Pilot Fran Harrison being “groovy”. Did anyone get pictures?

Cindy Weaver our ECR had a great time on board and with our Bahamas Group attending a banquet while in Nassau.

Emails have been flowing in asking where we are going next year. How about a cruise from Tampa. Visiting the Western Caribbean cruising to Cozumel & Key West? Stay tuned for more Fund Raising information in the near future.

The dedication was beautiful and well attended in spite of the rain. Refreshments

were tasty and very well received. Marjorie did a wonderful job as usual along with all our Pilots. Look for some great photos in the very near future.

We thank each and every Pilot for their continuing support of Pilot and our Pilot Scholarship House Foundation in our efforts to be the best we can be for our future leaders.

Sincerely and in Pilot  
PSHF Board

## PILOTS IN FLIGHT...

### SOUTHEAST REGION

The SE Region suffered a great loss with the passing of Carolyn Hartley. She was a driving force not only in Pilot but with the Southern Scholarship House Foundation. She was always there with a smile and a helping hand if needed. She will be greatly missed by all.

I am pleased to announce that our Region is growing with several new members in our clubs. Miami has started inviting the Anchors to their meetings which in turn has brought several of the mothers.

I want to commend everyone on their excellent fund raisers so far this year. Ft. Lauderdale had a great Italian dinner, Miami a book review luncheon, Pilot Club of St. Lucie two spaghetti dinners, The Treasure Coast with their Autumn in the Park Art Show and the Fort Pierce Club with the Home Show. Just think of all the community service being done with these funds.

I am in the process of planning our regional workshop, just waiting on the hotel to confirm the date. I'll be sending a mail out soon to the clubs.

Don't forget to make your plans for District. See you there!

Carolyn Dill-Collier  
Southeast Region Lt. Governor

**The Treasure Coast Pilot Club** held their 45<sup>th</sup> Annual Pancake Breakfast/Trifles and Treasures Sale on February 7<sup>th</sup>. It was a huge success!!! Proceeds from the Pancake Breakfast were presented to Dr. Tom Gollery, Principal of Wabasso Exceptional School in the amount of \$1500. This money is used for scholarships to their Therapeutic Summer Camp. Marilyn Delfs and her “cooking crew” did an awesome job. Feedback from our clients was quite favorable – “best pancakes in town” was a repeated comment.

The Trifles and Treasures portion of the morning netted another \$1200 plus for our operating fund – congratulations to Connie Stenberg and her helpers for another job well done - and to Jane Hudson who may have a new career as an auctioneer!!! Thanks to all who helped – this is what Pilot is all about, **TEAMWORK!**

## NORTHWEST REGION . . .

The Pilot Club of Tallahassee hosted Fall Council in their new coral colored club shirts. It was one of our goals at our strategic planning meeting to have new shirts for Fall Council so the Tallahassee Pilots would stand out and be easy to find if anyone needed any help during their stay in the Capital City. We were very excited to win Second Place for our "Three Little Pilot" skit. What fun!!!

Tallahassee honored our 2003 Sweetheart Agatha Muse Salter's at our annual Holiday Party held December 1<sup>st</sup> at Julie's Place restaurant. Agatha was honored with a corsage of yellow roses and a picture collage of "Aga" and her family, Pilot sisters and activities. Tallahassee is so proud of how Agatha has represented our Club in her many Pilot roles. It's Agatha "Friendship and Service" that helps make the Pilot Club of Tallahassee fun and successful. We love you, Agatha!!!

In addition to adopting a family for the holidays on December 18<sup>th</sup> the Tallahassee Club volunteered at the annual Salvation Army Sharing Tree. We like to volunteer for the last day when everyone drops off the gifts for the children they have selected from the Sharing Tree. It makes us feel good to help the Salvation Army bring a little holiday cheer to those in need.

The Pilot Club of Tallahassee would like to wish all the Florida District HAPPY NEW YEAR!!

Bea Mizell, PR Chairman  
Pilot Club of Tallahassee
