#### **\$400 A: Project Life Saver OR Care Trak**

Q: What is the emergency tracking system for wandering people with brain disorders?

\*\* I found many, many interesting questions to my answers. I found many of them were not wrong answers, just different than mine. I found there are so many wonderful ideas for projects. I just wish I could have shared everything with every one!

This Jeopardy game has been used in our club many times. The questions change for the program. It can be used for Founder's Day... Brain Minders... P.I.... so many subjects!

Be creative and have fun!!!
